## **New Directory of Agencies and Organizations Serving Deaf-Blind Individuals Now Available**

The Helen Keller National Center for Deaf-Blind Youths and Adults (HKNC) announces the publication of its revised *New Directory of Agencies and Organizations Serving Deaf-Blind Individuals*, 1987, which is designed as a resource and an aid to parents and professionals who are seeking services for deaf-blind individuals nationwide. The Directory includes Federally Funded and Public and Privately Funded Programs, and the listings appear alphabetically according to state, city and name of agency.

The Directory's information is based on an extensive survey conducted by HKNC. The data includes director's name, geographical service area, eligibility requirements, age range of the population served, major services, communication modes, funding sources, and contact person, and reflects the participants' responses. The Directory's three-ring binder permits the addition of updated material which will be forwarded periodically to users.

To order, send \$10, payable to HKNC, to: Community Education Department, HKNC, 111 Middle Neck Road, Sands Point, NY 11050, (516) 944-8900.
